LANGUAGE ACADEMY OF SACRAMENTO

Message from our Executive Director

Hello LAS Families,

I hope that you are all doing well as we near the final months of the school year! I would like to share how proud I am of our LAS community for achieving so many accomplishments this year, especially as we have begun our transition to hybrid instruction! Seeing many of our TK-5th grade students and their teachers in person has been a great change, and continuing to see the rest of our Jaguares engaging and learning from home has added to the learning experience. In the coming week we will bring back many of our middle school students and teachers and continue to strengthen our connections as members of the LAS team.

While we are still awaiting guidance in order to provide a more detailed description about what the upcoming school year will look like, we are happy to share a board approved 2021-2022 Academic Calendar. As you can see, our first instructional day will be Monday, August 16, and the final day will be Friday, May 27. We hope that having this calendar in advance will help families to plan vacations and ensure that students are ready to learn on the planned instructional days.

We look forward to maintaining strong lines of communication and sharing updates about the upcoming school year as new information becomes available.

Executive Director

Attention 6th Grade Parents! (repeat)

As we prepare for the 21/22 school year, please be informed that California law requires students to have a TDAP booster immunization prior to entering the 7th grade. If your child has already received this immunization, please provide the LAS office with an updated record as soon as possible. If your child has not yet received it, please begin the process now so it does not interfere with your child's education.
