Soccer Season 2023

If you have a Middle School student (grades 6-8) who is interested in trying out for our soccer team, we must have a completed sports physical on file for them no later than **January 23, 2023**. Physical forms are available in the front office. If your child tried out for basketball this year, then there is no need to complete the physical again as they are good for one year. For questions regarding our sports program, please contact [Adriana Yáñez-Gutiérrez](#).

MAP Reading Fluency (REPEAT)

Exciting news! LAS is finetuning its instructional and assessment portfolio so we can get a better picture of how our students are progressing academically throughout the year. As you know, LAS has implemented NWEA's MAP Growth Assessments for core subjects for several years now. For this school year, we will be adding NWEA's MAP Reading Fluency Assessment for Spanish and English. NWEA's MAP Reading Fluency has an audio review feature that records students' reading. With this feature, both you and your student's teacher can listen to the recording and have a better understanding on your student's progress and how to support your student's reading progress as a team.
