Hi Parents, Students and Staff!

Once again, we are excited to announce an opportunity to keep our school community safe! All students and school employees can get free iHealth At-Home COVID-19 tests to use before returning to school from spring break! If you are already registered in Primary.Health, you do not need to register again! If you are not registered on Primary.Health, click the link here https://my.primary.health/r/language-academy-sac?registration_type=student

Step 1: Get Materials

- Each box contains 2 tests
- Register for Primary.Health

Step 2: Test your student (or yourself if you are a school employee)

- Take test #1 3 days (April 7, 2023) before returning to school
- Take test #2 1 day (April 9, 2023) before returning to school
- **If you test positive for COVID-19 and have [COVID-19 symptoms](#), please call the school office to inform them.**

Step 3: Share your results on Primary.Health! Do not use the iHealth app!

- Primary.Health is a secure website that reports your results to the school and the Health Department.

- No internet? Contact your school with your results.

We wish you a happy spring break and hope everyone stays healthy and safe!

STATE TESTING NOTIFICATION (REPEAT)

Every year, California students take several statewide tests. Please visit the [LAS website](#) for more information on these mandated state tests.

ATTENTION 6TH GRADE PARENTS! (REPEAT)

As we prepare for the 23/24 school year, please be informed that California law requires students to have a TDAP booster immunization prior to entering the 7th grade. If your child has already received this immunization, please provide the LAS office with an updated record as soon as possible (or email to krodriguez@lasac.info). If your child has not yet received it, please begin the process now so it does not interfere with your child's education.
