On March 13th, the Language Academy of Sacramento will hold its first Annual Reclassification Celebration, honoring the achievements of students.\*

Each year, students designated as English Learners (ELs)/Multilingual Learners work hard to be reclassified as “Fluent English Proficient.” This year, we are proud that 25 students qualified to be reclassified. In recognition of their accomplishments, LAS will host a celebration where students, their families, teachers, and staff are invited to celebrate such great achievement.

### *State Testing Info*

### **State Testing Notification**

Every year, California students take several statewide tests. Please visit the [LAS website](#) for more information on these mandated state tests.

### **Attention 6th Grade Parents! (Repeat)**

As we prepare for the 24/25 school year, please be informed that California law requires students to have a TDAP booster immunization prior to entering the 7th grade. If your child has already received this immunization, please provide the LAS office with an updated record as soon as possible. If your child has not yet received it, please begin the process now so it does not interfere with your child's education.
