## Attention 6th Grade Parents!

Thank you to those that turned in their vaccine record by the requested deadline. If you have an incoming 7th grade student and have not yet submitted an updated immunization record, please do so immediately. As a reminder, California law requires students to have a TDAP booster immunization prior to entering the 7th grade. If you haven't done so already, please provide the LAS office with proof of this immunization. Incoming 7th graders will NOT be able to start school in the fall without this record.
